Font Styles

As you will be aware, we print each invitation to our couples' own design theme and specification, therefore we feel that it would be wrong of us to put down specific Fonts that we have available. As this would be our Jollie lollie Design, theme and specification.

We have a wide range of fonts to suit your needs, to discuss the look and style of font that you require, please contact the studio on 01924 862204 or email info@jollielolliedesigns.com and we will be pleased to assist you in helping you make your decision.

Alternatively if you have already seen a font that you like, and we do not have it in within our range, we will do our best to acquire the font for you, please note that this may be charged at an extra cost if we need to pay for it, we will advise you on this beforehand.

We can mix and match fonts on your invitations please see the example below:

If this is something that you would like please contact the studio on 01924 862204 or info@jollielolliedesigns.com and again we will be pleased to help you make your decision.
